

GL8546 Unisex Windbreaker with Hidden Hood and Self-material Bag

Short Description:

This is a waterproof windbreaker for both men and women, with fabric of 210T polyester with PU coating.

Product Introduction:

It's a classic middle level windbreaker for adult. The windbreaker jacket is waterproof and all seams are taped. The waterproof jacket can be folded by a self-material bag and we can put logos on this bag. The bag is with elastic string.

The fabric is 210T nylon with PU coating. It's waterproof and breathable. There is elastic string at hood and bottom to adjust to fit the body. The cuff is adjusted by elastic rubber. Reversed zipper on front and pocket with contrast color makes this jacket more active.

We can make screen printing logo or heat transfer printing logo on chest or back or sleeve. We have many different colors, like blue, red, black, grey, royal blue, yellow, etc. You can send us lab-dips for color check.
